Not A Special Sale At Reduced Prices --- But Special Linens Of Real Merit And Superior Quality At Prices That Makes Each Item A Genuine Bargain

FINEST of napery, direct from the looms across the ocean to our counters. They are rich with the luster of pure flax and different in design from the tablecloths and napkins in most stores.

THE PATTERNS are our own selection—with originality and individuality in each piece. And the quality is the best that skilled Irish, Scotch and German weavers can impart. Big orders given direct to the makers cut out the importer's profits—and consequently cut down the cost to our customers.

WE HAVE strained every nerve, used every means at our command to bring together the greatest collection of linens for a Thanksgiving sale you ever saw. Come and view the results of our efforts.
